Hello FCA Southwest Region Members,

In an ever present desire to improve the forms of communication with our members, I've redesigned the *Sempre Ferrari* to reflect the passion behind our club and the Ferraris we enjoy, while accommodating our Club's need to minimize expenses and give our members the most for their membership dues.

Our printing costs are now less than the previous format while the all color format better translates for conversion to the web. Rather than the previous separate black and white center registration section, yellow-edged pages in the rear section denote the FCA SW event information pages on our twelve events scheduled through July.

Our year concluded with two great events: Marv Landon's Galpin Premier Collection Tour and Peter Kudrave's Christmas Luncheon at the Walt Disney Concert Hall. Both quality events offered our members unique opportunities to experience venues in ways we wouldn't have been able to on our own. Thanks to Marv and Peter for closing our events for 2009 on such a magnificent high note.

More members are registering for our events online, which is more efficient for both parties. I encourage you to register for FCA SW events online at [www.fca-sw.org](http://www.fca-sw.org). But for those more comfortable with mailing or faxing a hardcopy, the full event menu is also included in this *Sempre* for your convenience. The paper's gloss coating may hinder your pen's ink from drying, so will be best to photocopy the menu page for your registration.

We have a full roster of events on our schedule for this year, from traditional favorites such as my Dromo 1 Kart Challenge, Tom's Ortega Run, Kenny's Mystery Run, Marv and Wally's Concorso Ferrari in Old Pasadena, Mark and Jason's Sideways 3, our Annual Election Picnic featuring Dino's this year and Marv's MB2 Kart Racing.

Brand spanking new events include a FCA Southwest Corral at the Desert Classic Concours in Palm Springs, the Rally of the Central Coast Wine Country – a joint event with the Pacific Region, my Run for the Roses Kentucky Derby Party, Diane's Getty Villa Tour, my Santa Barbara Polo Tournament and Demetri's Casa del Herrero Tour in Montecito.

If you want to drive, show, tour beautiful locations and/or experience fun events with your Ferrari, we have a full calendar of activities in the new year for you to enjoy. Each of these events has been well planned by their respective chairpersons for the enjoyment of the rest of us. And don't forget the monthly In Your Area gatherings for additional get togethers with fellow members to continue the fun. Your participation is like saying thank you for their efforts.

I look forward to seeing you at several of these events.

# Avila Beach

Concours Weekend

**2009 marked**

Article By  
Doug Prestine

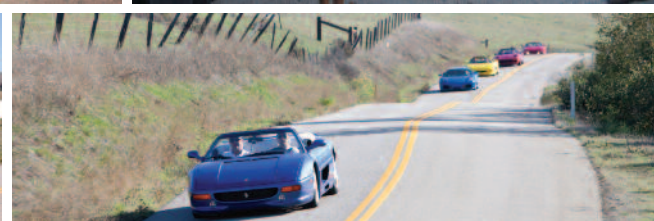

the third year for what has become a widely favored event with something for everyone. This four day adventure for the benefit of Hospice of San Luis Obispo County began with a Thursday morning breakfast at the Commons in Calabasas followed by a back road run to Avila Beach. A mid afternoon arrival in Avila allowed plenty of time to prepare for the Opening Night festivities.

The historic Fremont Theater in downtown San Luis Obispo offered a perfect venue for tasting the signature dishes offered by a selection of local restaurants paired with special wines from the region. Participants were offered Rock Star parking on the specially closed boulevard fronting the theater. Adding to the excitement, the Autogallery eighteen wheel truck and trailer race team support vehicle was situated immediately across from the theater where it was strategically surrounded with the latest Ferrari, Maserati and Porsche offerings.

Friday opened with another Wesley Hatakeyama orchestrated European-styled Timed Rally through the unmatched back roads unique to the area. Participants were welcomed to a lunch stop in Parkfield, a settlement of 18 at the apex of the San Andreas Fault that has come to be known as the "Earthquake Capital of California." Following a carefully timed lunch recess, the rally continued to its completion in Paso Robles where, once again, the parking surrounded the city's central park was reserved for the exclusive use of the competitors.

The 22 square mile Santa Margarita Ranch was host to the Friday evening dinner where a buffet was served within the California Mission located in the center of the Ranch. Dinner was followed by music and dancing for the enjoyment of all.

Saturday began with another Wesley Hatakeyama designed driving event. This time a non-competitive tour through the wine region was highlighted by a stop at a local winery before entering San Luis Obispo for lunch. Upon arrival in San Luis Obispo, the streets surrounding the Mission were closed for the parking convenience of participants. The day finished with a Gala Dinner and Dance at the Avila Beach Golf Resort where a wonderful evening at this surfside venue was enjoyed by all.

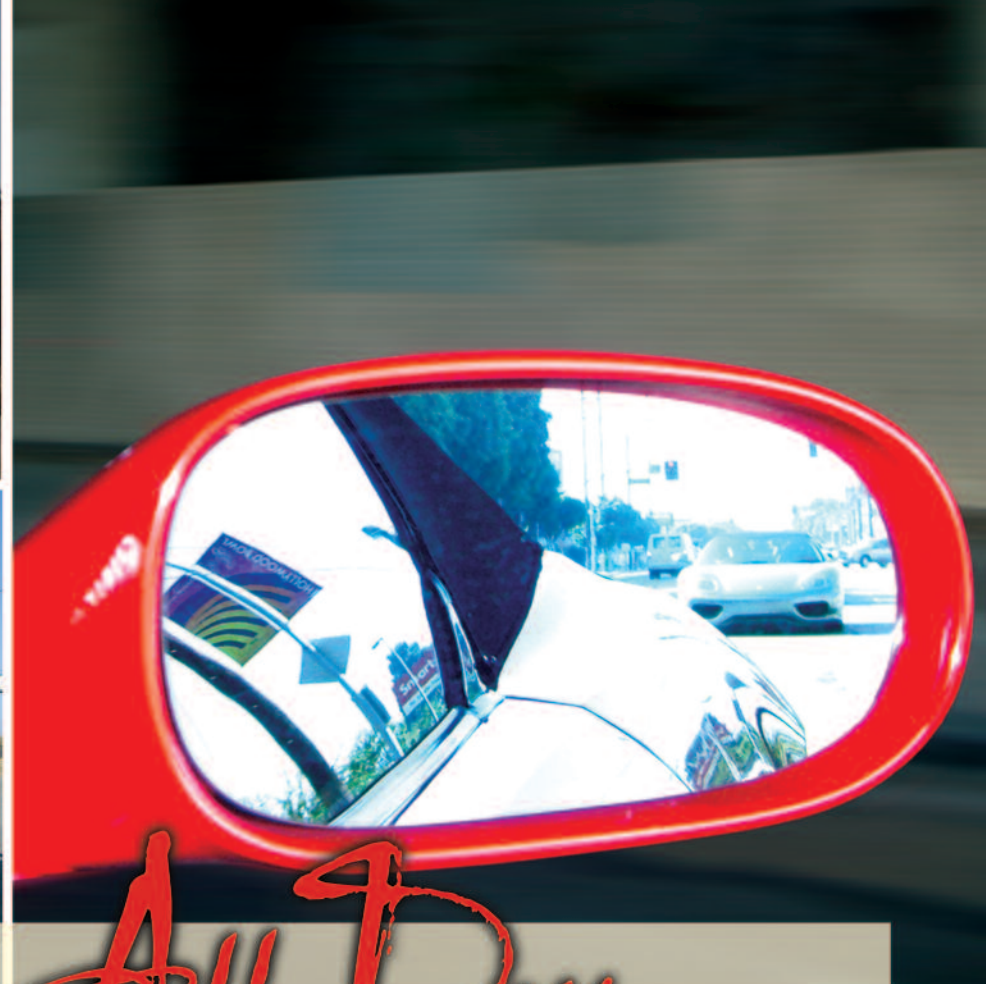

The absolutely perfect weather of the prior three days continued for the Sunday Concours where more than 200 elegantly presented cars were on the grass at the Avila Beach Golf Resort. Post WW-II Best of Show this year went to Tim Montgomery of the Pacific Region. Rather than one of his Ferraris, Tim took the award down this year with his Aston Martin DB5. Where the Southwest Region may have fallen short of earning Best of Show, members lost no time in getting the most out of the food and wine offerings from the VIP tent or enjoying the many cars on display.

Once again, your Club together with Hospice of San Luis Obispo, the Rossi Foundation and the Avila Beach Resort offered a fun filled weekend with something for everyone's interest. Once again, the week end concluded with all that participated looking forward to a repeat in 2010. **SF**

# Kenny's All Day Drive

Drive

## The event

Article and Photos By  
Kenny Lombino

for me started at 7:30 am Saturday morning, September 26th, 2009 as I was driving to our breakfast location in West Los Angeles. My cell phone rang twice as two of the 16 drivers had car trouble on the way and would have to cancel.

Remaining were 14 serious drivers who were looking forward to a 250 mile back road tour of some of the best roads our state has to offer.

We met at Norms Restaurant in West Los Angeles on Pico Blvd. for breakfast. The day started with a drivers meeting where we went over the rules of the drive. The ride was going to take us up to Santa Barbara, over the San Marcos pass, down into the Santa Ynez Valley, through the wine country, over a beautiful mountain pass, coming out on the back side of Santa Maria, then southeast into the desert, stopping for lunch in New Cuyama. After lunch we would proceed to another mountain pass taking us up into Mt. Pinos, through to Frazier Park into Gorman. Leaving Gorman, we would kiss the desert floor before heading back into the mountains driving toward Lake Elizabeth and the back way through Lake Castaic out to the 5 Freeway. Then it was off to dinner in Bel Air at the Beverly Glen Center off of Mulholland Drive.

In total, 275 miles were completed with no problems with anyone's cars. Unfortunately two drivers did not pay attention to the rules of the drive and had to be sent home.

The weather was perfect, the lunch was satisfying, and the twelve drivers and their passengers drove to their hearts content showing respect to all. At dinner we had lots of laughs remembering the fun we had on this long day of great roads and driving.

I want to thank all who came and participated in the run and I look forward to doing it again. **SF**

## Tour & Lunch

### On Saturday,

October 17, the club had a tour of Dick Messer's personal car collection and a tour of the Riverside International Automotive Museum. About 40 people showed up and we ended the day with lunch at the Cask and Cleaver restaurant in Riverside, which was only open to us.

As many of you know, Dick is the Executive Director of the Petersen Automotive Museum, but he has his own eclectic collection of cars at his Riverside residence. His cars range from a modern Saleen/Parnelli Jones Limited Edition Mustang to a Rolls Royce Silver Ghost, with MGs, hot rods and Studebakers thrown in.

After coffee and donuts, we moved on to the Riverside International Automotive Museum, which is the memorial to the famed Riverside Raceway owned by Doug Magnon. Inside the large industrial building is Doug's personal collection of Maseratis along with race cars that raced at the Riverside track. Doug and Tony Adamowitz campaign several vintage race cars including a Formula 5000 car that Tony raced back in the day. Several cars were under restoration at the museum, including a vintage Siata roadster and a vintage Indy car.

The museum curator, Bruce Ward, gave us a personal tour of all the cars and told of their history. Around noon, we all adjourned for lunch at the Cask and Cleaver. The parking lot was full of Ferraris and looked really good! Of course, Ferraris will always attract attention, and as we were leaving, a Riverside police car came into the parking lot and wondered what all the Ferraris were doing in that part of town! I guess that is not a normal sight in Riverside.

The FCA would like to thank Dick Messer, Doug Magnon and Bruce Ward for their generosity in allowing us to tour their facilities.

# Ferrari Beverly Hills Service Center Open House

Article By  
Tex K. Otto

Photos By  
Rosella Locatelli

An expanded service facility  
in West Los Angeles to keep  
Marenello's finest running  
at top performance.

Ferrari Beverly Hills recently held an open house at their expanded Service Center in West Los Angeles. The celebration of the enlargement of their spotless facility offered customers an opportunity to have their Ferraris and Maseratis inspected and be advised of recommended preventative maintenance. It was the first time that most guests had seen the new Service Center Facility and everybody seemed impressed with the expansion which includes larger office space, more service bays and a Ferrari boutique.

President Giacomo Mattioli has long been a supporter of After-School All-Stars, Los Angeles; a non-profit organization, whose programs help disadvantaged students in inner-city Los Angeles communities. Children that are in the model car building class were invited and each were thrilled to ride in an open Ferrari on the warm sunny day. Students also displayed their project custom-built scale model Ferraris, which were offered for silent auction with proceeds going to the organization.

While guests viewed the Service Center, Italian appetizers and refreshments were offered. Cars inspected included models of most modern Maserati and Ferraris including a beautiful 275 GTB.

The event was a success with approximately 40 cars inspected and about 80 guests in attendance. We thank Ferrari Beverly Hills for inviting FCA Southwest members to their Service Center Open House.

## Collection Tour

**On Saturday,**

Article By Marv Landon      Photos By Marv Landon & Tex K. Otto

November 21, 2009, Galpin Motors welcomed our FCA-SW members and their guests to a red carpet event, where we were greeted by a staff of professionals with hospitality, refreshments and special Ferrari parking.

Our tour began as we entered the Galpin Auto Sports museum. The museum is very special with some gorgeous, rare and unique automobiles including a row of historic Shelby American Cobras and Mustangs, Ed Roth custom show cars and the set of MTV's Pimp My Ride. Galpin is an authorized dealer for Spyker with two on display which are quite a unique automobiles with incredible workmanship. Overall, the GAS museum is an example of what you can do to show pieces of art.

The group proceeded to the Galpin's Club Aston where a new Aston Martin convertible was positioned on a turn table, the bar served cold drinks and wine followed by a spectacular Prime Rib Luncheon on the Terrace of Club Aston.

After our delicious lunch, there were fantastic vehicles on display and available for test drives which included the 2009 Aston Martin V8 Vantage Coupe, the DB9 Volante and the Aston DBS Coupe. Many members waited with much enthusiasm for seat time in the 2009 Lotus Elise and Exige and the 2010 Jaguar XKR Coupe and XFR 4-door sports sedan.

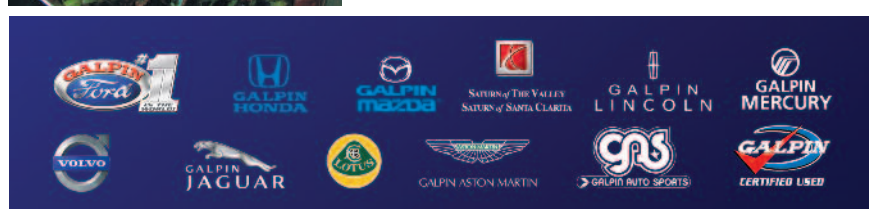

We would like to thank Beau Boeckmann, President of the Galpin Premier Collection and his staff for a phenomenal event. They welcome any of our FCA members to call or stop by for a test drive in any of the cars they represent. **SF**

FCA SW TOUR OF MONTECITO'S - AUGUST 7TH, 2010

## Casa del Herrero

HOUSE OF THE BLACKSMITH

EXPLORE CASA DEL HERRERO

We will have the unique opportunity to tour this masterpiece of the Country Place era. Few of Montecito's legendary estates remain essentially unchanged. The Casa del Herrero, designed by architect George Washington Smith and completed in 1925, is noted as one of the finest examples of Spanish Colonial Revival architecture in America, is included on the National Register of Historic Places, and in January 2009, was designated a National Historic Landmark.

Details of our tour to be announced. Info: Demetri Zafiris - [cnbigd@earthlink.net](mailto:cnbigd@earthlink.net), 818-774-1500, ext 203.
