President's Corner By Bill Inglis

Dear FCA Members,

Well, I've gone and done it. Yes, I have sold my 1986 328GTB and my 330GTC and bought a 1997 355 Berlinetta. I had the 328 for 7 years and I had the 330 for almost 18 years. Why, do you ask, would I part with such a splendid inventory of Ferraris? Well, as you who know me realize that I am not getting any younger, and I frankly am getting tired of working on cars. This, believe it or not, is no longer fun to change spark plugs or replace a master cylinder for the brake system or to do other scary jobs such as removing springs when you change worn out shocks.

My 355 is absolutely a miracle. I get in the car, turn the key, and it starts up and even shifts into second gear easily, and when I get on the freeway, it goes as fast as I ever would want to go on a public highway. One comforting note is that, if anything ever goes wrong with the 355, I can't repair it on the highway, short of maybe fixing a tire or something like that. Yes, I will call the old Auto Club, get a flatbed, give the address where to deliver the car, and go on my merry way. No more dirty hands, no more skinned knuckles, I'll just make sure that my cell phone has plenty of battery power left in case of an emergency. Am I getting lazy in my old age? You bet!

If I really want to drive something old, I still have an ASA 1000 GT which is a 4-cylinder 1-liter Ferrari engine based sport car. You drive that for an hour and it brings back all the memories of how something can be uncomfortable and noisy and literally unsafe at any speed if you got hit by a bigger automobile. Yes, I've entered the modern age, and I am really enjoying it, air bags and all.

Ferrari and Pantera Picnic September 29th

Article and photos by Tom Brockmiller

Once again, Don West, our vice president and host of this event, put on a sensational car show and picnic in the south bay area on a most beautiful Sunday.

Cars started arriving on the wet grass about 9am and we each carved out our area to picnic and visit with old friends or meet new ones. We are reminded that this is a show, not a concours, and as such we can indulge ourselves in relaxation and the bountiful garden location. All toll, your Southwest Region turned out about 25 Ferraris and 12 Panteras. An admirable showing of both marques. Our Pantera friends are always up to a bit of jostling about Ford vs Ferrari. We are quick to remind them that Panteras are a far cry from the famous Cobra Daytona Coupes, with or without all their polished aluminum.

We were joined this day by a Ferrari group from the Valley and West Side that are interested in forming their own sub-chapter of the FCA-Southwest Region. They will be calling themselves the Malibu Chapter and you will see and hear more about them in upcoming articles in this newsletter. For your information, the national board endorses these chapters being formed to satisfy and perpetuate the needs of individual members, both socially and car related.

We concluded this days festivities about 3pm and were reminded that of all the events we put on this one stands out for creating the best relationships. Our thanks to all who attended, especially our Pantera friends, and to those who didn't, we can only say, we'll do it again next year. See you there.

FCA Corona Runway Terrace October 13th

Article by Wally Clark Photos by author and Tom Brockmiller

Thanks to Chuck Betz and Fred Peters for hosting this FCA event at the Corona Municipal Airport on Sunday, October 13, 2002.

It was a great mix of Ferraris and vintage airplanes and the view from the hanger terrace was magnificent. We had over 20 Ferraris show up and we even had some members fly their airplanes in! The mexican buffet was superb.

Rides in various aircraft were available and there were several "fly bys" by some interesting airplanes, including a couple of pre WWII biplanes.

A great time was had by all! Thanks again to Chuck and Fred for their generosity.

Ferraris on the tarmac and parked in front of the airplane hangars. We had a great mexican buffet on the terrace with its dramatic view of the planes and our cars.

Newport Coast Concours d'Elegance

Article and photos by Wally Clark

The 20th annual Newport Concours d'elegance was held on Sunday, October 6, 2002 at Irvine Meadows. The special guest of the day was Sir Stirling Moss, who spent the entire day entertaining the crowd.

The featured marque this year was Aston Martin and there were some "world class" cars on the field, including an Aston Martin DB3s which he drove. There were two special venues on display: one featuring "50 years of Corvette" put together by "Corvette Mike" Vietro. The other special display was of land speed record cars.

Over 200 vintage, classic, race and sports cars graced the field. The Ferrari class was divided into 3 sub classes. The First Place winners were:

11a - Ron Busutill, 250 TDF

11b - Skeets Dunn, 275 GTB/6C

11c - Bob Blattenberg, 246GT Dino

Best of Show went to Gen. Wm Lyon's Mercedes Benz 540K Special Roadster, fresh from it's Pebble Beach win. Thanks to all who came and participated in the show, the Ferrari Corral and the judging.

USPG Viewing at the Queen's Ranch

Article by Jack Queen Photos by David Katz

Beer, Brats and Ferrari? An unlikely combination but it all came together as the San Diego Chapter turned Rancho Santa Fe into Indianapolis to celebrate the USGP F-1 event and another Ferrari Victory.

Mobs of tifosi and thirty-five Ferraris ranging from a 1952 212 Vignale Cabriolet owned by hosts Jack & Patty Queen, to new 575s, a 550 Barchetta and an F-50, brought in by neighbor Charles Brandes and everything, in between graced the Queen's lawn.

Judd & Faye Goldfeder helped plan the event and David Katz brought his slides from FCALA '02 event. Everyone else had a beer, a Midwest bratwurst, watched the race on a big screen TV and kicked a few tires. Now that's a good day! Let's do it again next year, there is lots of room for more cars.

A special multi grazie to our sponsors; the new Ferrari of San Diego (temporarily located in La Jolla) and Symbolic Motor Car of La Jolla.

Steve Tillack & Co.

another tour of his

tion facility.

Tillack & Co. Open House October 25th

Article by Tom Brockmiller Photos by author and Walter Meyer

Steve Tillack and his beautiful wife, Marcella, hosted another successful Ferrari Club open house and dinner party at their Redondo Beach race and restoration shop.

Even the rain did not mar such an extravaganza of cars and food. He was well prepared, as usual, with awnings, tents and heaters. As you all know, Steve's location is the premier location for turning out world class concours and racing cars, known at Pebble Beach and the Cavallino Classic. His shop also prides itself on state of the art diagnostics offering service to the contemporary Ferrari.

This evening, like the others, provided a real glimpse into the international cadre of rare collectible cars being maintained, restored and serviced. Each area of the shop from machining to body metal to race prep is impeccably maintained by his crew of over 15 professionals.

Most important to the event was the wonderful opportunity to visit with all our "car friends" from every arena of collecting and ownership. Besides that, as attested to by our in house FCA gourmet, Don West, the food was the greatest.

Thank you Steve and Marcella for creating this evening.

The impeccable Tillack & Co. shop displayed a full range of vintages and types of cars: from '50s competition racers to Formula 1 cars.
