## PRESIDENT'S MESSAGE

### Dear FCA Members:

Spring has progressed this year with better than usual weather and better than ever FCA-SW Region events. Well attended Tech Sessions have been complemented by extraordinary Garage Tours, an unusual Mystery Ride and the opening of the driving season with an overnight ride to the Central Coast. And more Spring events lie ahead. Concurrent with your reading of this edition of *Sempre Ferrari*, the Annual Golf Tournament and Dinner for the benefit of the CHP 11-99 Foundation is immediately upon us as is the Ferrari Concours in Old Town Pasadena that engaged members Marv Landon and Wally Clark have been promising. Even if you don't play golf, you won't want to miss the excitement of the Dinner and Auction at Robinson Ranch on May 16th for which Peter Kudrave will make room for your late sign-up. And be sure to save May 18th as the date for the All Ferrari Concours in Old Town Pasadena.

There's still time to sign up with Wally Clark to participate in an expanded presence for Ferrari at the June 1st Los Angeles Concours at the Rose Bowl and you need to save your place with Mark Process and Jason Friedman for their June 7th Sideways Run to Santa Ynez. Spring then concludes on June 21st with the Tom Brockmiller and Wally Clark presentation celebrating 40 Years of both the Daytona and the Dino at this year's Annual Election Picnic at the Petersen Automotive Museum.

Now is the time to look forward in the Calendar of Events to save the date for Summer activities you won't want to miss. Better yet, turn to the Events Registration Booklet at the center of this edition of *Sempre Ferrari* and sign yourself up early for those events that are likely to sell out.

Register Early and Register Often for the many events your Club has to offer. Join us at 9:00 AM on the second Saturday of each month on the fourth floor of the Petersen Automotive Museum for a meeting of your Board of Directors. Join the fun.

I'll look forward to seeing you there!

DETAILING TECH SESSION BY MOE MISTRY

# GLISTENING PERFECTION

Article and Photos By  
Jim Bindman

A demonstration on high-end detailing wouldn't be easy during a downpour, so Mother Nature was kind and our Saturday morning weather was perfect (in-between storms) for our February "Glistening Perfection" tech session. About 25 members were given a 90 minute demonstration by Moe Mistry, owner of Glistening Perfection. Moe is one of the leading detailers in the country and has "Best of Show" at Pebble Beach in his resume.

Moe explained how his methods differ from a routine detail job and all the small details that separate his techniques from everyone else. Moe is a perfectionist and a typical Ferrari detail is a full day process (or even longer). Moe's details include exterior, interior and engine. The demo on a fairly new red 360 spider (that already looked great) was dramatic!

After Moe finished and answered many questions, we all had time to drive home.....then the rain returned.

Thank you to Moe for conducting this detailing tech session for the benefit of our members. Glistening Perfection is a long time advertiser of *Sempre Ferrari*. Next time you want your prancing horse to stand out at the next concours, be sure to thank Moe for his support of the FCA Southwest Region.

Secure parking, coffee and snacks were provided by *Sempre* advertiser and FCA member David Lee (Hing Wa Lee Jewelers). SF

FERRARI INSPECTIONS FOR FCA MEMBERS

# AUTO GALLERY TECH SESSION

Article By  
Jim Bindman

Photos By  
Chuck Houck

## On a beautiful cloudless

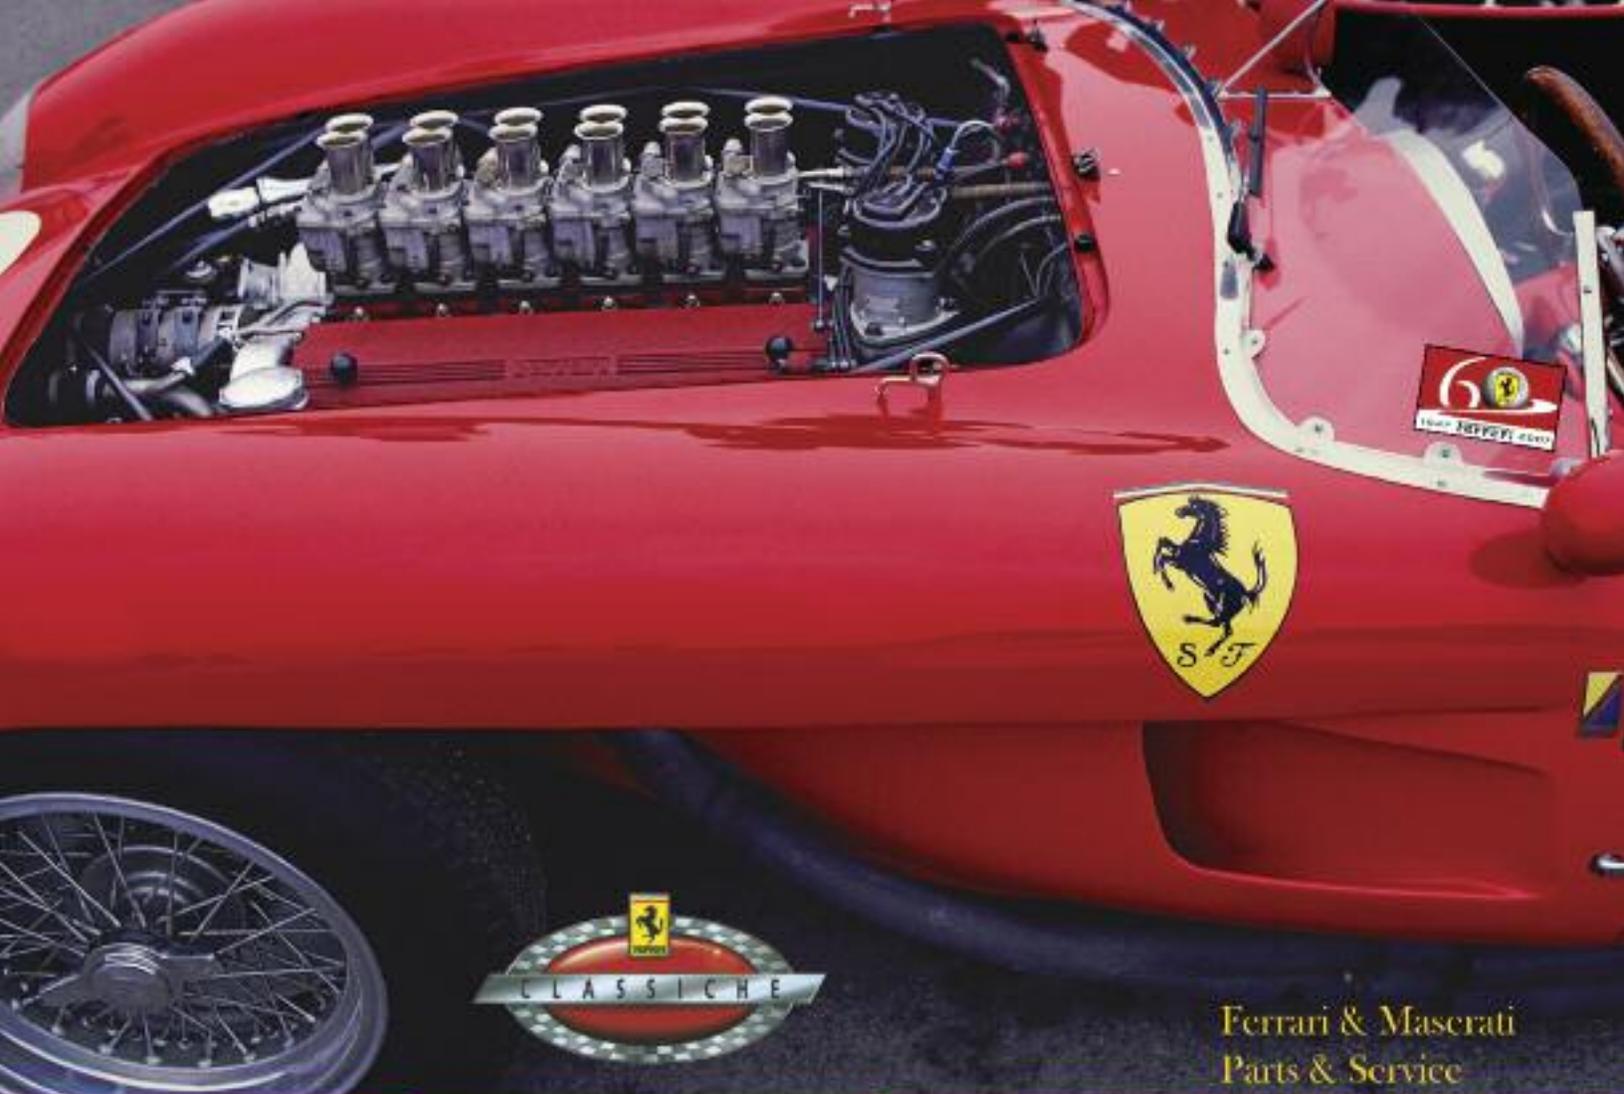

Saturday morning (between rainy days), thirty Ferraris assembled at Auto Gallery's huge service facility for this year's edition of the Auto Gallery Tech Session. This annual event is one of the most popular in our calendar. This year was no exception as all thirty spaces filled up quickly. Co-owner Tony Schwartz and Service Manager Chuck Houck were on hand with their entire staff of technicians. Each car was given a complete 30-45 minute inspection by the factory trained service personnel. Enough food was provided to feed our 600 members, so this was another example of Auto Gallery exceeding our expectations. Tee shirts, hats and Ferrari licensed clothing from the Auto Gallery Ferrari Boutique was on display and our members took advantage of the special discounts being provided.

Auto Gallery has the distinction of performing the most non-warranty work of all the U.S. authorized dealers, so they were well qualified to inspect the cars on hand, which included a 275 GTB, Daytona Coupe, 365 GT 2+2 Speciale, 365 GTC/4, 365 GT, several Testarossas, Mondials, 308s as well as a selection of contemporary 355s, 360s and 430s.

Among the attendees were many familiar faces, but several people who signed up were new members and this was their first event with the club.

Thanks to the Auto Gallery staff. The FCAmembers and the cars had a great time! **SF**

OPEN HOUSE AT TOM SHAUGHNESSY'S AND ZAC DUGGER'S NEW SHOP

## NO ORTEGA ON TOM'S RUN

Article By  
Tom Brockmiller

Photos By  
Frank Filipponio & Wally Clark  
[www.frank4cars.com](http://www.frank4cars.com)

On Sunday, February 24th, the seventh running of the now infamous Ortega Run did not include the Ortega Highway. Construction delays were the issue but a valid excuse to make a detour to Tom Shaughnessy and Zac Dugger's new Ferrari Parts and Sales in Oceanside.

This was not a day for the average Ferrari to be out and about. Rain was going to be most evident for most of the day. This proved the theory that a Ferrari does not melt in the rain and with 154 signed guests for the drive and luncheon we all were wonderfully surprised with the turnout of vintage and contemporary Ferrari.

We started in San Juan Capistrano at 10 am and proceeded south on the 5 freeway to Oceanside where the group met up with Tom Shaughnessy and his contingent from the south. Tom did not disappoint us and drove his open, truly vintage, 375MM race car. Goggles and lacking meaningful windscreen were no deterrent. The route went past Palomar Mountain through Pauma Valley into the back roads of Escondido and returning to Oceanside to Tom and Zac's shop. About two hours all in all. Thanks to Jack Curtis and Roger Groves for pre-running this most interesting and enjoyable route. No mishaps or mechanical problems on such a wet day.

The group arrived at "The Shop" about noon to enjoy a buffet barbeque luncheon and a beautifully prepared garage with cars on racks in various stages of restoration.

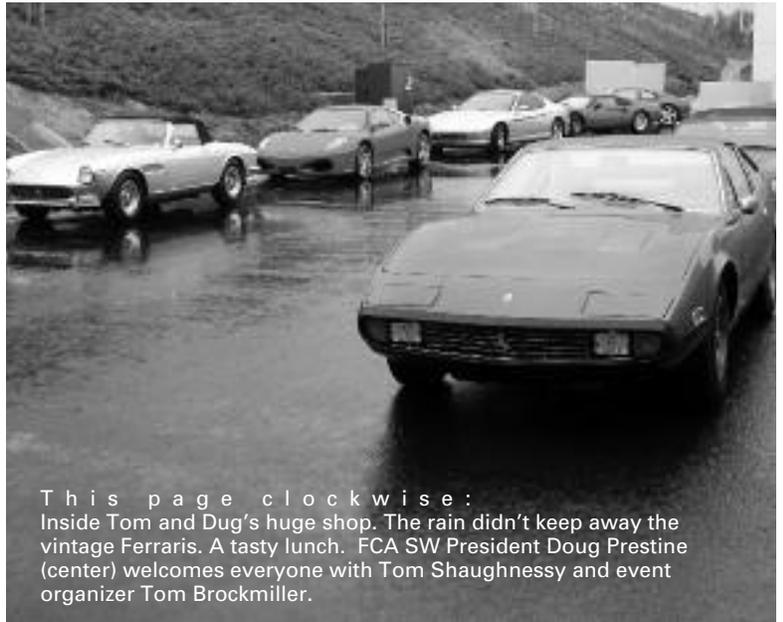

Tom had displayed, as well, his rare find chassis and memorabilia. Dave Maestrejuan was present with his creative display of Ferrari mechanical art.

While this event has always garnered a fine group of cars I must admit to my surprise and the commitment of our members on such a blustery day and want to thank each and everyone for their participation.

Once again, deeming it a genuine success with much thanks to Tom Shaughnessy and Zac Dugger for being so well prepared.

Next year will see the return of the Ortega. **SF**

This page clockwise:  
 Inside Tom and Dug's huge shop. The rain didn't keep away the vintage Ferraris. A tasty lunch. FCA SW President Doug Prestine (center) welcomes everyone with Tom Shaughnessy and event organizer Tom Brockmiller.

**Photos opposite:**

Tom Shaughnessy braves the elements in his 375MM. Proof that Ferraris don't shrink in the rain, Tom's 410 Superamerica glows from the drive.

# SWAP MEET AT FERRARI OF ORANGE COUNTY

Article and Photos By  
Wally Clark

On Saturday, March, 29 2008,  
Ferrari of Orange County

hosted a swap meet and lunch for members and guests.

We had about 50 people wander through the vendors, of which there were about 10. Items for sale were everything from vintage Ferrari parts to a complete car trailer. The weather was overcast and cool, but no rain!

Several of the Ferrari of Orange County mechanics were there to answer any questions on new car service and the swap meet area was near the building that the Classiche program occupies. John Amette described the Classiche program and gave us some examples of cars that have been recently certified.

The lunch was excellent and the Ferrari turn out was good. Thanks to Alan Woodard, Bill Story and Amanda for helping us arrange the day. **SF**

From Top -

3T Motorsport (*Sempre Advertiser*) displayed many trick pieces to upgrade your Ferrari. Murray Cogan and Don West working out a deal. Daytona Spider being looked at by Ferrari of Orange County technicians. Ferrari artworks, parts and anything in between were being offered for sale. 246 Dino Spider for sale or trade?

"It is so rare in today's day and age to find a true "craftsman" who has the passion, the skill and the enthusiasm to set themselves apart from the rest. Mine's is that guy, that guy who you would trust your ultimate machine with, and not give it a second thought. He takes his company's name seriously... he is a perfectionist and it shows."

—Brett Martini, Laguna Beach, CA  
Glistening Perfection client since 2008

"When I bought a new Ferrari, the first person I called was Moe Mistry from Glistening Perfection. He was one of few people that I trusted to maintain my vehicle. After the first detailing, the red paint had so much depth and gloss that it looked 1000 times better than from the factory. Thanks Moe!"

—Harley Broniak II, Newport Coast, CA  
Glistening Perfection client since 2004

"I was first referred to Glistening Perfection by Newport Beach Porsche. I was so impressed with the work on my Porsche Turbo that I had Moe maintain my 350 Modena and now my Porsche GT3."

# GOURMET RIDE & DRIVE

Article By **Doug Prestine**      Photos By **Linda Feldhorn & Sherry Benedon**

## This year's Gourmet Ride & Drive turned to the funky little beach town of Cayucos.

Located to the immediate north of Morro Bay, Cayucos represents a true page out of history. Everything stopped in Cayucos 50 or more years ago – everything that is except for the fun to be had by our group of adventurers.

A Thursday evening pre-event cocktail and dinner party at the home of event organizers Joan and Doug Prestine has become an established tradition for this annual opening of the driving season event. It offers an inducement to participants from far away to move closer to the Friday morning start point. It also serves to get all of the participants into the spirit of what lies ahead. As a “core group” of established veterans to the event continues to grow, the warm up period for getting into the spirit of things has been eliminated. Veterans walk in already warmed up and immediately draw first timers into the swing of things.

The Friday morning start set us on our way along an inland route this year. Six miles following the start, we were off the Freeway and onto the back roads that would carry us all the way to Cayucos. Following a brief pit stop in Gorman, we continued our penetration into the Los Padres National Forest toward our lunch stop in Taft.

The Entire Crew Readies for the Start Drive.

Jo's Family Restaurant in the heart of Taft warmly received our group with a lunch fare that would satisfy the hungriest of oil field roustabouts. After satisfying our need for the three basic food groups (salt, fat and preservatives), we continued our journey.

The road north from Taft leads to McKittrick and the highway 58 turn off. And this is where the fun really begins along 75 miles of nearly untraveled road across the mountains to Santa Margarita. Perfect road conditions were complemented by remarkably green hills punctuated by bursts of yellow, orange and purple from the flowers that are rarely in bloom.

## GOURMET RIDE & DRIVE

From Santa Margarita it is an easy downhill slide through Atascadero and into Cayucos where we were warmly received by the staff at the On the Beach Hotel. FCA-SW Region member Richard Shannon has recently updated this hidden treasure of a hotel complete with underground parking equal to our requirement. Fireplace suites overlooking the surf offered a welcome opportunity to freshen up for the evening's activities.

Friday evening began with a wine and cheese tasting in the Hotel common area. This was followed by dinner at Schooner's Wharf which also overlooks the surf a short walk from the hotel. Schooner's Wharf is a pure reflection of all that is funky about Cayucos. It has the feel of a Disney recreation of a run down seaside tavern. But this is no recreation and everything is authentic including the local bar patrons. It is here that we were joined by several FCA-SW Region locals for our choice of several entrée's paired with wines local to the area.

Saturday morning found us traveling up a twisty canyon to the undulating highway that leads to Paso Robles and the Eberle Winery. The Winery Staff was ready to welcome us to Ferrari only parking and a tour of the Winery. And then it was deep into the caves that lie beneath the surface for lunch in the midst of aging barrels that surrounded beautifully set tables. A delightful lunch was then paired with several of Gary Eberle's finest offerings.

For most, it was then off to the coast above Cambria for a count of Elephant Seals in the rookery below the Hearst Castle. After confirming that all of the Elephant Seals were indeed present, it was back to Cayucos where more in the way of wine and food awaited us.

Saturday evening began with an introduction to another winemaker at the hotel who offered a tasting of his wines together with a selection of cheese. This was a fine warm up to the Big Event at Hoppe's Garden Bistro where we were offered a five course dinner paired with five fine wines selected from the best of the Central Coast. And yes, Hoppe's is located in Cayucos just a short walk from our hotel. It's perfectly logical that a five star restaurant would be located dead center in a funky little town occupying a building that dates back to the 19th century.

Following dinner, it was back to the hotel where for the second night it was a good thing we had dedicated use of the facility to the exclusion of outsiders. It's hard to believe that several members of our group simply don't know when to stop – especially when they know it is unlikely that other hotel guests will lodge a complaint.

Sunday morning concluded with a Champagne Breakfast and discussion of where the 2009 Gourmet Ride & Drive might take us. **SF**
